

REMARKS

Claims 55-61 are pending. By this Amendment, claims 1-54 and 62-65 are canceled.

This reissue application pursues the claims placed into Group II in the March 20, 2003
Restriction Requirement that was made in the parent Application No. 10/263,070.

Because claims 55-61 were presented in the parent reissue application, it is believed
that the Reissue Declaration and Consent of Assignee from that application, copies of which
are filed with this application, are appropriate for use with this application.

The Examiner is requested to consider the references of record from the parent
application, which are identified in the Information Disclosure Statement filed herewith.

Examination and allowance in due course are earnestly solicited.

Respectfully submitted,
